### Worked example

1<sup>st</sup> Anytown Scouts using Warren Cottage for 2 nights with 20 occupants.

Warren Cottage 2x nights = 2 x £80 = £160

20 people x 2 nights = 20 x £3 x 2 = £120

Total cost = accommodation cost + camping rate = £160 + £120 = £280

Deposit amount = cost of accommodation = £160

Booking form and full terms and conditions can be found on our website, [stockonthornabydistrictscouts.com/Pybus](http://stockonthornabydistrictscouts.com/Pybus).

The term per night means any 24 hour period or any part thereof calculated from when your group arrives on site.
